Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes one new information collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

The information collection below is pending at SSA. SSA will submit it to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. Individuals can obtain copies of the collection instruments by writing to the above email address.

Authorization for the Social Security Administration to Obtain Personal Information -- 20 CFR 404.704; 404.820 - 404.823; 404.1926; 416.203; and 418.3001 -- 0960-NEW. SSA requests respondents fill out Form SSA-8510, allowing SSA to contact a public or private custodian of records on behalf of an

applicant or recipient of an SSA program to request evidence information which may support a benefit application or payment continuation. We ask for evidence information such as the following:

- Age requirements (e.g. birth certificate, court documents)
- Insured status (e.g. earnings, employer verification)
- Marriage or divorce information
- Pension offsets
- Wages verification
- Annuities
- Property information
- Benefit verification from a State agency or third party
- Immigration status (rare instances)
- Income verification from public agencies or private individuals
- Unemployment benefits
- Insurance policies

If the custodian requires a signed authorization from the individual(s) whose information SSA requests, SSA may provide the custodian with a copy of the SSA-8510. Once the respondent completes the SSA-8510, either using the paper form, or using the Modernized Supplemental Security Income Claims System (MSSICS) version, SSA uses the form as the authorization to obtain personal information regarding the respondent from third parties until the authorizing person (respondent) revokes the permission of its usage. The collection is voluntary; however, failure to verify the individuals' eligibility can prevent SSA from making

an accurate and timely decision for their benefits. The respondents are individuals who may file for, or currently receive, Social Security benefits, SSI payments, or Medicare Part D subsidies.

Type of Request: Information Collection in Use Without an OMB Number.
